The Well Baby Clinics were held monthly, excepting August and October at the Nurse's Office. The average attendance was 6.

An immunization Clinic was held for Pre-School children at the Nurse's Office on March 23, April 20, and May 19. The series of Triple Toxoid was given to 27 children, a total of 29 were vaccinated and 15 Booster shots were given. Dr. Thomas O'Connor was the attending physician, and Mrs. Nellie Blicher, R.N. assisted. Mrs. Fred Baker and Mrs. Gerard Roy did the clerical work and transportation.

Several children in town attended the Orthopedic Clinic in Keene regularly and there have been patients going to the Cancer Clinic also.

Large quantities of used clothing have been distributed to needy families in town during the year.

Mrs. Nellie Blicher, R.N., was the substitute Nurse in August.

I assisted at the Red Cross Blood Bank on Sept. 12, which was held in Winchester.

On Nov. 8, I attended the Cardiac Workshop at the Nurse's Home in Keene.

At Christmas time needy children of the town were given necessary clothing through the courtesy of local organizations.

In closing I wish to thank the members of the Council of the District Nursing Association, Dr. Thomas O'Connor and the families I have served, for their cooperation and assistance.

Respectfully submitted,

A Clinic was held March 24, to administer Gamma Globulin to 79 pupils and several teachers of the Second and Third Grades, as there was a case of Infectious Hepatitis in both Grades. This was an emergency measure ordered by the State Board of Health.

The Salk Polio Vaccine was given to the pupils of Grades One and Two on May 25, and Oct. 13. The Clinics for all the schools in this District were held in Winchester, there were 284 children who received this Vaccine.

One child is attending the Cardiac Clinic in Keene.

Two pupils were fitted to glasses during the year, and several were taken to physicians for various reasons.

As school nurse I attended the Nurse-Teachers meeting in Manchester on Oct. 20. The program was very interesting with children from the Austine School for Deaf, Brattleboro, Vt. giving the program.

The Cod Liver Oil supplement is again being furnished by the American Legion, and is being given to 60 children.

In closing, I wish to thank Mr. Lees, the Principals of all the schools and the teachers for their help and cooperation.

602 new books were added during the year.

During Book Week in November, we entertained the children from Center School. Each grade came separately and listened to musical story records and reviews about some of the new children's books which were on display.

Our Memory Shelf has been growing. Among a few of the titles are—World's Famous Paintings, A Treasury of the Familiar, 2 Vols., Webster's New World Dictionary, Furniture Decoration Made Easy by Hallett, Rocks and Minerals by Fenton, and the Complete Poems of Robert Frost.

We now belong to the American Garden Guild Book Club. From this we receive a book each month on gardening. Spring will soon be here so now would be an ideal time to read these books about the phase of gardening in which you are most interested.

In the Children's Room you will find a new bookcase. This will shelve several new sets of books purchased this year, namely—The New Junior Classics, 10 Vols., Living together in the Modern World, 8 Vols., The Popular Science Library, 10 Vols. The Book of Knowledge, 10 Vols., The Book House, 6 Vols., and the Picturesque Tales of Progress, 8 Vols. were purchased second-hand. All of these sets are giving a great amount of reading satisfaction to our Juvenile patrons.

AUDITORS' REPORT

Board of Selectmen
Winchester, New Hampshire

Gentlemen:

The Auditors are pleased to submit herewith the report of their audit and examination of the accounts of the Town of Winchester for the fiscal year ending December 31, 1955.

Our audit included the accounts of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Highway Commissioner, Water Department, Fire Department, Forest Fire Department, Overseer of Poor, Library Treasurer, Trustees of Trust Funds, Municipal Court, and Summer Playground.

Vouchers and cancelled checks were compared with supporting invoices and payrolls, as well as entries in the books of record, to determine if all payments had been properly authorized and were in settlement of legitimate accounts.

Receipts were checked by source insofar as possible to determine whether all revenues to which the Town was entitled, had been collected and turned over to the Treasurer.

Book balances at the close of the year were verified by comparison with Bank Statements and uncollected taxes were verified by mailing notices to a majority of the delinquent tax payers, as indicated by the collector's records.

The books of all town officials which we examined were found to be in excellent condition. Only a very few minor suggestions were made and these were made direct to officers concerned. Overdrafts of appropriations were considerable less this year and we wish to commend the officials responsible for this improvement in the financial condition of the Town. Please refer to the various reports and statements of Town officers for the financial condition of the individual departments.

We wish to extend our thanks to the officials of the Town of Winchester for their assistance and cooperation during the course of our audit.

Respectfully submitted,

ARNOLD B. CONWAY

DONALD MANNING

HERBERT A. TAYLOR

AUDITORS' REPORT

Board of Selectmen
Winchester, New Hampshire

Gentlemen:

The Auditors are pleased to submit herewith the report of their audit and examination of the accounts of the Town of Winchester for the fiscal year ending December 31, 1955.

Our audit included the accounts of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Highway Commissioner, Water Department, Fire Department, Forest Fire Department, Overseer of Poor, Library Treasurer, Trustees of Trust Funds, Municipal Court, and Summer Playground.

Vouchers and cancelled checks were compared with supporting invoices and payrolls, as well as entries in the books of record, to determine if all payments had been properly authorized and were in settlement of legitimate accounts.

Receipts were checked by source insofar as possible to determine whether all revenues to which the Town was entitled, had been collected and turned over to the Treasurer.

Book balances at the close of the year were verified by comparison with Bank Statements and uncollected taxes were verified by mailing notices to a majority of the delinquent tax payers, as indicated by the collector's records.

The books of all town officials which we examined were found to be in excellent condition. Only a very few minor suggestions were made and these were made direct to officers concerned. Overdrafts of appropriations were considerable less this year and we wish to commend the officials responsible for this improvement in the financial condition of the Town. Please refer to the various reports and statements of Town officers for the financial condition of the individual departments.

We wish to extend our thanks to the officials of the Town of Winchester for their assistance and cooperation during the course of our audit.

Respectfully submitted,

ARNOLD B. CONWAY

Unexpended Income

Your trustees continued to reduce the smaller balances of unexpended income, by paying to the Town all balances under \$10. This amounted to \$285.59 on 40 separate funds, and left in the checking account a total of \$343.40 on 25 separate funds having unexpended income in amounts between \$10. and \$20. All balances over \$20. are on deposit in a common savings account—Cheshire County Savings Bank, No- 47024—and these total \$3,015.33 for 31 separate funds. The full income earned by each fund during the year was paid to the town for the use of the cemetery committee.

Investment changes in 1955

American Telephone and Telegraph Co. issued subscription rights for 3 7/8% convertible debentures of 1967 and your trustees subscribed for \$300. of these bonds. These were later converted to 3 shares of stock, at a total cost for the two transactions of \$444.59.

Stock split-ups of 2 shares for 1 held were received from Boston Fund, Inc., Fidelity Fund, Inc., Chemical Fund, Inc., and George Putnam Fund of Boston.

George Putnam Fund dividends were re-invested at net asset value, enabling the purchase of 12 shares for \$193.87.

All seven investment trusts declared capital gains dividends during 1955, and your trustees received these dividends as additional shares with fractions in cash. Total cash values are shown in the detailed report of income from each investment, on a later page.

The school lunch program hereby acknowledges with gratitude a gift of \$50.00 from the V. F. W. No. 3958 and a gift of \$10.00 from the Winchester P. T. A. Such contributions are most helpful. The Winchester Kiwanis Club continues its monthly contribution to the school lunch program, this money being used for the school lunches of underprivileged children.

A much needed piece of equipment has just been purchased for the lunch program by the school board. This is a twenty cubic foot deep freezer. Surplus foods from the government can now be stored much more conveniently and safely.

REPORT OF HIGH SCHOOL PRINCIPAL

I hereby submit the annual report for Thayer High School to the Superintendent of Schools.

Enrollment for the school year 1955-56 as of Feb. 1, 1956:

Seniors.....	23
Juniors.....	31
Sophomore.....	34
Freshmen.....	43
	— 131
Seventh Grade.....	48
Eighth Grade.....	53

The industrial arts department offers a varied curriculum including the following:

Courses offered in the seventh and eighth grades are the use of hand tools and wood working.

A complete study of power tools and how to use them, and the fundamentals of mechanical drawing are offered during the freshmen year.

Mechanical drawing and advanced wood working, along with beginning principles of electricity and simple auto mechanics are offered the second year.

During the third and fourth years of training, the student has a choice of any one or more of these lines on a more advanced basis.

The shop program is much facilitated by the addition of new tools and equipment from time to time.

The music department continues to show progress under the direction of Mr. Coogan. Several key positions are to be filled due to the loss of some excellent musicians through graduation.

The music department gave a very impressive operetta in the spring and Pops Concert this last fall.

The appearance of the band has been greatly improved by the color guard. The Band Booster Club donated the school flag and the American Legion and Womans' Auxiliary the American Flag. The school is very thankful for this fine contribution.

There are 47 members in our band and 61 members in the chorus. Our band beginner group numbers 22.

The following have been chosen for All-State organizations.

The commercial department continues to do a splendid job in preparing students for further schooling in this field and the business world.

This department is contemplating the purchase of a new electric typewriter which will facilitate its progress.

We believe the objectives of history courses need to be emphasized more than ever before to develop citizens aware of the critical conditions in today's world, to know the causes and effects of these conditions, and to apply this knowledge to thinking and acting constructively.

Joyce Croumie, senior, was selected to represent our school in the D. A. R. good citizenship contest.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Winchester:

I have the honor to submit my ninth annual report.

TEACHERS: There were five new teachers in our system as schools reopened in September. Miss Margaret C. Coll was elected to the third and fourth grade position at the Ashuelot School. She replaced Miss Mary F. White who is now teaching in Keene. Upon the resignation of Miss Marion E. Moffitt, Mrs. Juliana A. Hooper, a graduate of Keene Teachers College, was elected to the third grade position at the Community Center. Miss Moffitt was married last summer in England and is still residing there with her husband, George Lewis.

There were three changes in the teaching personnel at the high school. Mr. Alfred H. Croteau was elected to the Industrial Arts position. He replaced Mr. Richard C. Janson who resigned to enter business. Mr. Croteau is a graduate of Keene Teachers College. Mrs. Dorothy J. Glazier, a graduate of Keene Teachers College, was elected to the Home Economics position vacated by the resignation of Mrs. Beverly A. Slocum. When Mr. J. Gerard Provost resigned as foreign language teacher, his place was filled by the election of Mrs. Marian P. Smith. Mrs. Smith is a graduate of the State Teachers College, Montclair, New Jersey. She has also studied at Upsala College and abroad.

In this era of increasing pupil enrollments and diminishing teacher supply, it is essential that salaries be adequate enough to attract good teachers. To that end a salary schedule was recently adopted for Supervisory Union No. 25, comprising the school districts of Winchester, Hinsdale, Richmond and Swanzey. Too often in the past, our smaller towns have been training grounds for inexperienced teachers. Upon acquiring experience they have left us to be replaced in turn by more inexperienced teachers.

A salary schedule is helpful in securing teachers in this day of teacher shortages. When a teacher knows what he can expect to receive in a community after years of teaching there, he is more prone to stay in that community, provided the schedule is attractive enough.

The salary schedule for Supervisory Union No. 25 follows:

<i>Years of Experience</i>	<i>2 Years or less</i>	<i>Three Years</i>	<i>Bachelor's Degree</i>		<i>Master's Degree</i>	
			<i>Women</i>	<i>Men</i>	<i>Women</i>	<i>Men</i>
0	\$2200.	\$2600.	\$2800.	\$3000.	\$3000.	\$3200.

3	2500.	2900.	3250.	3450.	3450.	3650.
4	2600.	3000.	3400.	3600.	3600.	3800.

9	3100.	3500.	3900.	4100.	4300.	4500.
10	3200.	3600.	4000.	4200.	4400.	4600.

BUILDINGS AND GROUNDS: Mr. Alton W. Horton, custodian at the Center School, sanded and refinished the floors in grades three and five during the summer vacation. The desks and chairs in these two grades were fastened to skids, permitting more flexibility in their use. There are but two rooms left whose floors have not been refinished. These are the fourth and sixth grade rooms and will probably be done this coming summer.

Mr. Horton also painted the cafeteria. He has built a small room adjacent to the teachers' room in the basement. This room, provided with a cot, is for the use of children who may become ill during the school day.

At the Thayer High School, the increasing enrollments in the Commercial classes necessitated the enlargement of the bookkeeping room. Mr. Clifford E. Monroe, custodian, took down the partition between the small language room and the bookkeeping room. The combined space of the two former rooms has made an enlarged commercial room of ample proportions. The new room was completely painted, the floor was resurfaced and a tile ceiling was installed.

The upstairs hall floor was resurfaced. The only floor in the entire building which has not been resurfaced is in the teachers' room on the second floor. The Home Economics room was painted and a new bulletin board was installed. Mr. Monroe also painted the boys' cloak room. A flood light has been installed at the east entrance to the building for the convenience and safety of people entering and leaving the building at night.

Considerable work was done during the summer by Mr. Frank M. Freeman custodian at the Ashuelot School. The third and fourth grade room was painted. All windows in the building were painted inside and outside. The outside doors were painted. The floors in the classrooms were sealed and waxed. Mr. Freeman also painted the sink and counter in the lunchroom. He built a bulkhead door and a cupboard for cafeteria supplies.

Our school buildings are being kept in excellent condition and the Winchester School Board is genuinely interested in seeing that they are kept so.

The citizens of Winchester could very well begin some long-range planning for their future school needs. The Center School building is not large enough to accommodate the elementary pupils as it should. We still have to rent two

rooms at the Community Center. The time is not too far distant when a third such room may be necessary. A glance at the above table for the year 1958-59, for instance, will serve to show that four large grades are indicated.

Winchester has an elementary school housing problem which will become increasingly acute in the years ahead. Should Winchester be thinking in terms of a new elementary school building? Or should thought be given to the possibility of sharing a cooperative high school with such towns as Hinsdale, Swanzey and Richmond? In the latter event, the present high school building could be converted to elementary school use. It would be foolhardy to build a new elementary school and then a cooperative high school with surrounding towns. In that case, we would have no use for the present high school building. It is of paramount importance, therefore, to know where we are heading and to plan accordingly.

It might be advisable for Winchester to have a school planning committee to work with the school board in studying our school housing problems and exploring all possible solutions. Such groups of earnest, sincere people are currently holding countless meetings throughout the length and breadth of the United States.

Quoting Walter Lippman—"We have to do in the educational system something very like what we have done in the military establishment during the past 15 years. We have to make a break-through to a radically higher and broader conception of what is needed and what can be done . . . we must make the same order of radical change in our attitude toward education as we have made in our attitude toward defense. We must measure our educational effort as we do our military effort. That is to say, we must measure it not by what it would be easy and convenient to do, but by what it is necessary to do in order that the nation may survive and flourish. We have learned that we are quite rich enough to defend ourselves whatever the cost. We must now learn that we are quite rich enough to educate ourselves as we need to be educated."

In conclusion, I wish to express my appreciation to the teachers, pupils and parents, the School Board and to the patrons of our schools for their cooperation.

Respectfully submitted,

CHESTER C. LEES
